Director's Welcome

We recognize that your institution of learning is one of the most important decisions that you will make in your life. We choose our students carefully. You also must choose your institution carefully. I hope that this prospectus will help you in making that choice easier. It presents not only the details of our academic programmers but also provides you with an overview of the overall campus quality of life. At CIMS (Cambridge Institute of Management Studies), we are seeking bright, energetic students eager to accept the challenges of an academically vigorous, professionally enriching & personally fulfilling learning program that encourages students to think in new and creative ways in the global place.

Our Mission is to transform youth into highly skill professional to meet the challenges of this highly competitive world through intensive training, appropriate guidance and vigorous discipline and holistic approach. As a proud part of the growing CIMS family, promising you the bright future and plethora of talent.

I assure you that you will be joining the best training Institution in West Bengal.

Prasenjit Manna
Founder Director

Principal's Message

"Education is the manifestation of the Perfection already in man"

– Swami Vivekananda

To transform youth into highly Professional and Managers to meet the challenges of a highly competitive world through Intensive Training, Appropriate Guidance, Discipline and Holistic Approach.

*We have created the environment of learning by guiding our students to achieve their goals and pursue Higher Technical/Professional Education, we also impart knowledge and skills to our students through **"Proactive Education System"**, so that young minds are enlightened and well equipped for future challenges.*

It is our continuous endeavor to improve knowledge on current technology through Technical visits, Seminars and guest lectures of renowned personalities.

Blessings and Best wishes for an eventful career.

Debaprasad Das
Principal

Alumni Feedback

I have chosen this course because Cooking is my passion and CIMS is the best platform to enrich my skills. I am very thankful to be a student of CIMS, Thank you for giving me a bright future and for all the guidance.

— Pankaj Mandal

Great place with ample opportunities for all. Provides holistic development resulting in confident individuals who believe in contributing to society through hospitality industry.

— Mohi Bhuyan Beh

Undoubtedly the best hotel management collage in Purba Medinipur. The only reason behind this is the amazing faculty, this institution has. The college is well equipped with core department labs, and it had good infrastructure & well maintained room.

— Susmita Sankar

I came across this college through my friend. This college arranges many festivals and programmes and seminars which help them to get into professionalism. I also visited the programmes of this college it is really very nice.

— Sudipta Halder

The faculty is so friendly and helpful, even in the covid 19 situation and we're even enjoying the online classes amidst this pandemic, they've made it so easy to learn. The college campus is charming and it literally provides you with a lot of exposure and opportunities.

— Nabimradul

This is one of the best colleges For Hotel management in Medinipur, West Bengal. It has got very good faculty, infrastructure. It helps us to grow as an individual, works on our grooming and helps us get placement in various parts of world.

— Bikash Bar

Renowned and oldest professional hotel and hospital management institute in Medinipur. My personal experience says that average and meritorious student's can built up their professional carrier at CIMS with the help of experienced professors.

— Ayan Samanta

This is the best hotel, hospitality, hospital and tourism management that I came across. Even the facilities of this college are so amazing. A great institution to study. Looking forward to have a great career in hospitality.

— Sudip Samanta

Since I joined the college, every day I had opportunity to learn something new. It met my expectations and having a great time. I specifically love the vibe which is perfect for studying. The practical labs are well equipped and, the teachers are equally enthusiastic and helpful.

— Sondip Layek
